Oxford Scholarly Authorities on International Law

<http://opil.ouplaw.com/home/EPIL>

Oxford Scholarly Authorities on International Law brings a major new dimension to our offerings for scholars and practitioners working in public international law.

Oxford Scholarly Authorities on International Law contains full-text online editions of market leading reference works and treatises published by Oxford University Press, such as Oppenheim, and the Oxford Commentaries on International Law.

Oxford Scholarly Authorities on International Law

<http://opil.ouplaw.com/home/EPIL>

Together with Judge Bruno Simma, books in the following four categories have been selected for inclusion:

- Authoritative treatises, which continue to define their area of law
- Black-letter reference works and commentaries, which will help you to answer practical questions about the law
- Classic works on international law, which remain influential in their field today
- Flagship publications, which provide innovative perspectives on current legal problems

Oxford Reports on International Law

<http://opil.ouplaw.com/home/EPIL>

Oxford Reports on International Law (ORIL) brings together decisions on public international law from international law courts, domestic courts, and ad hoc tribunals.

In this resource, the full scope of international case law is available in one place, accompanied by expert analysis and cross-case navigation via the Oxford Law Citator.

New cases are added daily, making ORIL the most up-to-date source of international case law available

Oxford Historical Treaties

<http://opil.ouplaw.com/home/EPIL>

Oxford Historical Treaties (OHT) is the premier resource for historical treaty research and home to the full text of The Consolidated Treaty Series, the only comprehensive collection of treaties of all nations from 1648 to 1919.

Available via the Oxford Public International Law platform, OHT is cross-searchable with Oxford's leading public international law resources and benefits from a modern, intuitive interface and sophisticated functionality.

Contextual commentaries on specific treaties, types of treaty, and historical trends will be added to the site on a regular basis, so that researchers can easily stay up to date on new research trends and analysis.
